Personal Statement

A highly motivated and independent feline with over 7 years of experience in napping, rodent control, and human companionship. Seeking new opportunities to utilize my hunting instincts, soft purring skills, and tail-chasing expertise in a loving environment.

Skills

Pest Control   Proven track record in mouse detection and capture.

Communication   Skilled in nonverbal cues, including meows, tail flicks, and strategic stares.

Time Management   Efficiently balances sleep (16 hours/day) with bursts of chaotic energy.

Customer Care   Provides emotional support through purring and lap-sitting.

Adaptability   Thrives in cardboard boxes, sunbeams, and atop warm laptops.

Experience
